Men	Hoe Aroha	Toto Bros	36.30	9th

May we take this opportunity to thank all those paddlers that participated in this event and hope to see you all at the Harbour Challenge. Special thanks to all the support persons who assisted in the running of this event, especially the support boat operators, who a couple of them I know gave up there only day off for the week (maybe we can convince them to join a club, on second thoughts no we already have enough trouble trying to source support persons when running these events.
