The race course was set at just over 300m. The strong North West winds later prevented the event carrying beyond straight races as It was evident throughout the day that turning races would be out of the question. Amazing spirit showed by all with some highlights, during one of the races a J16 girls crew lashing from around the ama had come undone during the race, the girls took control with the winners of that race **Whetu Rerere O Porirua (Nga Waka)** boys having saw what happened, paddled backwards to connect their waka alongside the girls to provide extra support before all paddling in together. Fantastic to see such positive sportsmanship, true gentleman of the sea as someone put it. In the Open Women's division fierce, hot competition was seen in the final with **Nga Kaihautu (Nga Waka)**, **Matariki (Tai Tonga)** and **Kokiri (Kokiri)** battling for that top spot. In the Men's division. Raw power was seen here with **Mana Menz (Mana)** leading the way having won the division and **Ochearn (Nga Waka)** & **The Men (Tai Tonga)** only a tad behind. The question now on everyone's lips is who is going to grab the title at the next regional sprint **Saturday 8**th **December, Porirua Harbour** and how will the region perform overall at the Nationals in 2008. Exciting times ahead. Wait to see and as they say
