

Roto Kohatu Suggested Event Parking For Organisers

Approximate location of event parking space that can be provided.

This will require management by the event organisers with designated marshals on site at all times.

The parking space will need to be clearly defined and managed closely by organisers.

Lake Roto Kohatu

Walking access to the primary event destination at the northern end of Lake Rua from the event parking space. Approximate distance 800m

At peak times on weekends when the Lake Rua Carpark is full a security guard will control general public access. Event organisers will have to work around this and utilise arranged event parking.
