RACE RULES

The race rules are currently under review - the updated rules and any changes will be included in Pānui 2.

W12 Combined Crews

In principle, National Championships are club-based events. As a result, W6 crews shall be made up of competitors from one club. However, W12 crews can be made up of competitors from up to two clubs from the **same region** in any of the following divisions:

- Taitamariki
- Intermediate
- Senior Master
- Golden Master
- Master 70
- Master 75
- Master 80

This rule **only applies** where a club does not have sufficient paddlers to form their own, stand-alone, W12 crews in those age categories.

A W12 crew made up of 2 clubs may be a combination of any number of paddlers from those two clubs. They must satisfy all other rules as specified in the [race rules](#). These crews must be entered online by the region.

2022 WAKA AMA CORPORATE CHALLENGE

Once again we are running a Corporate Challenge event at the 2022 Sprint Nationals. If you or your organisation might be interested. This year the Corporate Challenge will take place on Saturday 22nd January 2022.

CLUB/REGIONAL COORDINATORS

All Regions or Clubs must register their coordinators for this event. To ensure that urgent messages, correction of entries or any other issue is dealt with urgently it is important that National event organisers can communicate to Regions and Clubs. This will also prevent delays and/or disappointments.

Send details to admin@wakaama.co.nz of Club or Region:

- Coordinators Name
- Email address
- Cell Number
- Subject heading: COORDINATOR

It is important to check your entries before the close off date to avoid penalty fees for changes after the closing date.

TAITAMARIKI RACING

All Taitamariki racing will be held on a 250m course. The following events will be held for our Taitamariki:

- W6 250m
- W12 250m

We will run the same progressions to ensure that more teams progress through to semis and finals and that teams get at least 2 races in the events they enter. Taitamariki racing will progress from heats to Championship, Cup, Plate and Bowl divisions. With a final being held in each division. All teams entered the heats will progress to either the Championship, Cup, Plate or Bowl division.

Note: Championship Finals will be acknowledged with medals. Cup, Plate and Bowl finals will be acknowledged by ribbons

INTERMEDIATE RACING

The following events will be held for Intermediates:

- W6 500m
- W6 500m (1 turn)
- W12 500m
- W1 500m

Intermediate teams will receive time penalties for infractions in the heats, which may allow them to progress instead of being disqualified automatically. In Semi-Finals and Finals regular infractions will remain.

TAITAMARIKI AND INTERMEDIATE LIFEJACKETS

It is compulsory for Taitamariki and Intermediate paddlers to wear Maritime NZ approved PFDs/lifejackets.

Inflatable PFD/lifejackets are not ideal for our Taitamariki and Intermediates as generally these jackets are made for adult sizes only once inflated. The safety of our Taitamariki and Intermediates is of the utmost importance.

At the 2022 Nationals, all Taitamariki and Intermediate competitors cannot wear inflatable lifejackets

ID CARD TIP: Once it is daylight savings and lighter in the evenings, a lot of new paddlers join our clubs and start practicing for nationals. To avoid the last-minute rush for club administrators you should start to collect new paddler verification documents and photos now and do a few each week. It will save you a lot of work the week prior to Christmas when everyone is hectic! And it will help our office out immensely!

W1 ENTRIES AND QUOTA

Entry Fee:

If you are entering W1 *only* the full fee is payable for your age category. There is no extra fee for entering the W1 events if you are also paddling W6/W12.

Quota:

To manage the W1 events it is necessary to limit entries. Therefore, a set number of heats for each category have been confirmed. Regions are allocated 4 entries for each race division, plus an extra quota for having finalists in the previous year's Nationals.

Should the quota be unfilled, paddlers on the waitlist in their region will get the first option to take up a spot. Should the region have no waitlisted paddlers, then all other waitlisted paddlers in that category across other regions will be ranked by waitlisting and then randomly drawn for available space.

Please note: Whilst there is a regional quota for W1, Paddlers are representing their club within that region. Paddlers may only paddle for 1 club at the national championship. W1 racing contributes toward the club points for the Club Points Trophy
