CANOE RACING NEW ZEALAND (CRNZ)

In 2024, the first ever NZSS Canoe Racing event will combine with the Waka Ama Secondary Schools Nationals. K1 sprint, relay, and long distance events will be added to the schedule, with Canoe Racing Finals also being held on the Friday. CRNZ will collect their own entries, and send separate pānui to schools as entries are received. Entries are open to all students, including waka ama paddlers, who may be keen to try a new sport.

<u>Age Groups</u>	<u>Divisions</u>	<u>Sprints</u>	<u>Long Distance</u>

- For 18&U the above CRNZ boats may be used, or paddlers may use their own K1 boats

CAPSIZING DRILL

As part of the online entries, all schools must confirm that their teams have completed a safe capsizing drill prior to the event. This is something that should be practiced with students each year - regardless of skill and experience level.

You can view a capsizing drill video on the WANZ website here:

<https://www.youtube.com/watch?v=IHlzi4ImFYc>

This video explains:

- How to fit a lifejacket correctly for each paddler
- How to right a capsized waka,
- The steps involved to right the waka, get back in it and bail

Waka Ama NZ recommends that all students should be proficient in this skill and feel comfortable doing it. This drill should be completed in a safe and controlled environment (that can be outside) and that life jackets should be worn for the duration of the drill.

- The terraced grass areas are set aside for all schools, whanau, and spectators to sit on for the best race viewing (**no tents or gazebos permitted**).
- All schools will be located on the area boarded by the playground, mobile toilet block and fencing. Note: depending on the weather over the summer, this area could be a mixture of gravel & grass.
- **Please check in with the Village Coordinator on arrival to be shown a site.**
- Due to participant and spectator safety NO tents will be erected on the following locations:
 - Lake Edge, Beach,

- Please ensure that your tent is secure overnight and remove any belongings that might fly away should the weather turn overnight.

INTERNATIONAL TEAMS

We welcome schools from overseas to take part in our event, as it is a great way for our rangatahi to meet paddlers from other countries. We also understand that this event is a New Zealand Secondary School National Championships.

The following lanes will be used in the Finals for New Zealand School teams:

	New Zealand School Teams	International Teams
250m W6 and W12	Lanes 1 to 12 (half lanes)	Lane 13
500m W6 Turn race	Lanes 1 to 8	Lane 9
250 W1	Lanes 1 to 12 (half lanes)	Lane 13 +

International teams may appear in other lanes should there not be sufficient NZ teams to fill the first 8 lanes. However, the rule of thumb will always be that international teams will fill lanes outside New Zealand School teams.

SAFETY REQUIREMENTS

If you are going to use a generator and extension cords you are required to have them checked by an authorized electrician. Documentation must be presented to the Village Coordinator authenticating that they have been checked and are in good working order. Failing to do so may result in the Site Manager requesting that the use of the equipment be discontinued. Please whānau this is for the safety of your rangatahi and others.

RECYCLING AND RUBBISH BINS

Recycling bins are situated at the back of the playground. Please ensure that only recyclable materials are put in the bins with yellow lids. In addition, there are also wheelie bins for rubbish in place of drums due to the wasp issues. We ask that the bins remain in the areas they are placed, and keep the lids closed.

Please ensure your kura is managing the rubbish in your area – if you see any rubbish around your tent or on the beach, please pick it up 😊

DISABILITY DROP OFF POINT AND CAR PASSES

This year there will be a designated disability drop off area for those with authorized disability permits. PLEASE NOTE, this is a drop off area **ONLY**. Once you have dropped off your passengers you will be asked to leave the area, as this needs to be kept clear for foot traffic and emergency services.

Only those with an official **CAR PASS** issued by the Waka Ama Co-ordinator will be granted vehicle access to the event.

PŌWHIRI

All Manuhiri are asked to assemble in the terrace area 30 mins prior to the Pōwhiri start time. **The pōwhiri will start at 8am on Tuesday**. We ask that the Schools with the Taonga from last year situate themselves at the front of the Pōwhiri procession. All Rotorua Kura are requested to assemble behind the paepae.

PUTU MIHAKA TROPHY

The Putu Mihaka Trophy is awarded to the school that displays manaaki, awhi, and an overall positive attitude throughout the event. This award pays homage to the late Te Putuangaanga (Putu) Mihaka nō Ngāti Pikiao. Putu was a strong advocate of rangatahi Māori, played significant roles in organisations like Te Waiariki Purea Trust, and was a huge supporter of the waka community.

LAURIE DURAND MEMORIAL AWARD - TE POU TAUTOKOHIA
