

2024 LDN Waka Hire Process

Please see below information regarding the waka hire process for LDNs 2024.

There will NOT be a set of waka supplied for LDNs in Gisborne 2024. Clubs will need to tow their own waka or use the accompanying spreadsheet to “hire” waka from another club.

Waka Ama NZ has created a sheet for waka hire: [2024 LDNs Waka Hire Spreadsheet](#)

This is for W6 waka hire only.

Waka hire must be completed directly between the clubs hiring out and the clubs wanting to hire. All contact information and availability of waka are available on the sheet. This sheet is live and automatically updates.

Each club hiring out waka must set their own hireage fee and must liaise directly with the club wanting to hire to confirm hireage and arrange payment.

Clubs hiring out waka:

1. Email events@wakaama.co.nz if you have waka available to hire for the event.
Please include:
 - a. Club contact **name, email, and phone number** (this needs to be the person dealing with all waka hire for your club, only one contact per club)
 - b. Include how many waka you have available to hire & the name of each waka
2. Your contact details and available waka will be added to the hire sheet.
3. You will be given editing access to [2024 LDNs Waka Hire Spreadsheet](#) where you will be responsible for updating your bookings. Please do this as soon as you confirm bookings.

Note: Include where your waka is in use by your own club by selecting the “**In Use By Club**” option.

Clubs wanting to hire waka:

1. Check the availability of waka in [2024 LDNs Waka Hire Spreadsheet](#)
2. Email directly to the club contact requesting hireage. Including: the race the waka are required for, club/team/division, and contact name/number.
3. Complete hireage booking with the club and complete payment directly to them once they have confirmed your booking.
