Te Waka o Aoraki welcome paddlers from around the region to the 2024 Te Waka o Aoraki Regional Sprint Championships to be held at Lake Ruger, formally known as South Eyre Lake, on Saturday the 7th of December 2024. This is the qualification event for paddlers wishing to race in a W1 and/or the Regional W12 at the 2025 Waka Ama National Sprint Championships to be held at Lake Karapiro from 12th – 18th January 2025.

VENUE – Lake Ruger formally South Eyre Lake

This year we will be heading back to South Eyre Lake located 30 minutes north-west of Christchurch. This is a private irrigation lake, utilised for kayaking, dragon boating and triathlons and we are lucky enough to have booked it again this year. Registration/Admin will be set up at the start finish line at the Northern end of the Lake. The lake is opposite the house on 2754 South Eyre Road.

Regional W1 500m and 250m Dash Representative Qualification Process

Each region has at least 4 entries in each age division for W1 500m events, and two Premier Men's and Premier Women's, and two J19 Men's and Women's entries into the W1 250m dash race for the WANZ Sprint Nationals. There are also additional places in the W1 500m events based on finalists from each regional from the previous year's nationals. Eg. 3 TWoA finalists = 4 + 3 = 7 entries for Nationals.

W1 500m qualifiers from TWoA will be decided at the regional event by placing in the W1 500m final of each division. Paddlers that cannot make the regional event, but who wish to be waitlisted for consideration of a W1 spot, must make contact with the TWOA President ahead of the event. You may then be allocated a spot if all other qualifiers from the regional event pass on their spot.

The W1 250 Dash race is the last event held at Nationals and is a one-off race with all regional representatives racing together. The premier men's and women's events are for all age divisions from Open to Master 70s. To align our regional event with the national event and due to limited lanes available at our venue (six lanes for W1 races) - paddlers will get one race to set a time, and the fastest two times out of each gender in both the J19 and Premier divisions will qualify to be our regional 250 dash reps.

Regional W12 Qualification Process

Each region also puts forward a Men's and a Women's Regional W12 team to compete at the Sprint Nationals. Qualification for these teams are based on paddlers competing in the **W1 250m Dash** at the TWOA Regional Sprints (across both the J19 and Premier divisions) – with the fastest 12 times from each gender making up the respective crews. In the event that a W12 Team cannot be made up from athletes who competed at the TWOA Regional Sprints, the TWOA Committee will seek and select athletes who are entered for the WANZ Nationals. The TWOA Committee will also select Captains for each Team.

Notes

- Entries must be made via your club and fees paid ahead of the event.
- W6 canoes will be supplied by TWOA and W1 canoes must be supplied by paddlers and weighed.
- Clubs are expected to help with running our Region's event.
- You must enter the W1 250 Dash if you want to qualify for the Regional W12 Team.

- Questions or Enquires please contact the race directors Steve Brett or Caleb Te Kahu (0272327576) or TWoA President Tracey Kingi (0212819689) or twoa.president@gmail.com)
