Vendor Lane

- 55 Vendors
- 9 Hauora Hub Providers
- EFTPOS may be available at selected vendors.
- Healthy kai options are encourage including no fizzy drinks or deep-fried kai

Hauora Hub and ACC Whānau Zone

- The full list of Hauora Hub providers can be found on the WAANZ Website
- Hauora Hub Passport - get 8 stamps from different providers to go in the draw
- ACC whānau zone is back for supporters, paddlers and wider whānau to relax and watch the racing, as well as trying rongoā (traditional Māori healing).
- ACC will also be providing services in the Hauora Hub

Waka Use & PAi Kiato

- W6 and W12 supplied by clubs and Te Wānanga o Aotearoa.
- Damage or loss may incur a charge to the club/team.
- Only authorised waka may be used on the course.
- This year, we will be using Pai BOA Kiato on all W6 Waka.

Invasive Species Management

- All waka and gear must follow regional “Check, Clean, Dry” requirements.
- Wash stations available onsite.
- W1 must be sticker-checked as “Clean & Dry” before racing.

Sport Integrity & Anti Doping

- With the Waka Ama Sprint Nationals approaching, it's crucial that every participant and support person understands their role in maintaining the integrity of Waka Ama.

Lane Draw and Race Schedule

- Please note the times are an indication **ONLY**
- Race will run in order unless advised
- Please ensure you are aware of the race calls and prepare teams to be ready
- Ensure there is ample time between races for paddles and lifejackets - we will not wait for crews who are sharing equipment
- Please let us know ASAP if you have any **back to back race**
- Lane draws will be available to collect each morning from the admin desk - **2 PER CLUB**
- Liveresults will show any changes as they are actioned

Race Progressions

- Can be found on the WAANZ Website, managers booklet and printed on the results board

Announcements

- Race Announcers will call for teams/W1 paddlers 3 times.
- First Call- Teams should be getting ready
- Second Call- Teams should be making their way to the Marshalling Area
- Third and Final Call- Teams should be at Marshalling waiting to go inside

Marshalling

- Located in front of the Don Rowlands Centre
- At Marshalling Paddlers must:
 - Have their ID cards
 - Be in the correct uniform
 - All paddlers must be present
- Competent Steerers - do not need ID cards - one will be provided
- ALL Taitamariki and Int Paddlers must be wearing appropriate life jackets

Registration

- Once paddlers are loaded into the marshalling tent, all teams/paddlers will be called lane by lane to swipe their ID cards
- Please ensure all paddlers enter the marshalling tent with their ID cards
- If you need a new ID card - please organise this well in advance at the admin desk.
- A good idea for managers is to collect ID cards back once they are scanned

Loading Bay

- Bin for gear in the loading bay
- Teams must follow loading bay instructions from Kaitūao
- Kaitūao will guide you to your waka
- There are portaloos and a water station provided in the loading bay area.

Loading Bay Cnt'd

- W12 loading - please be mindful when loading in and out of the W12s
- Please ensure paddlers listen to the instructions of the Kaitūao
- Paddlers must know their race number and lane and follow directions

Tips for the startline

- Load out as instructed
- Don't cut across the lake to your lane - follow the wakas along the lake side
- Don't rush the start line, depending on conditions give yourself a wide entry onto your lane
- Ensure you are heading down to the startline with your fellow waka - not too far ahead, not hanging too far back
- For the turns - don't head off for a warm up - head straight to your line
- Be mindful of other waka and other races loading in and out at the same time as you

Taitamariki & Int Racing

W1 Support person

- Support paddlers in W1 may follow or paddle alongside (not lead) Taitamariki or Intermediate crews or paddlers (**straight races only**) who do not already have an adult or competent steerer as
- **Please ensure you DO NOT cross the fluorescent Orange 15M buoy line before the finish line - or you will be fined \$100**

Competent Steerers

- There will be an ID card at Registration that will be labelled "Competent Steerer".
- The Competent Steerer card must be swiped for them to pass through Marshalling.
- Competent Steerers will be issued a Hi Viz Vest to be worn on the water - **Please return it after each race.**
- Please remember that the purpose of having a steerer for your Taitamariki is to help them line up and go
- straight (in all conditions). Make sure whoever you charge with that responsibility is up to the task.

Taitamariki & Int Racing

- **ONLY** Taitamariki and Intermediate crews can have **ONE** manager/adult go through marshalling with them.
- This person must be acknowledged by the registration desk.
- If you have a competent steerer for a Taitamariki crew and it is a different person to the Manager/Coach, that is fine, both can go through, but the steerer must have the “Competent Steerer” ID card swiped.

Time Penalties

- Taitamariki and Intermediate racing 10 sec time penalties will be given for racing infringements during the heats instead of DQs

A gentle reminder to all of our adults...for many of our tamariki and rangatahi this will be their first sprint nationals. Let's embody our values and work together to create a positive environment for our Tamariki and Rangatahi!

Race Course and Water Safety

Race Course

- False startlines
- Lane width
- Small finish flags used for accurate photo finish.
- Steerers should be familiar with all flag markers.

Flag Colours

- Ensure your crews are aware - maps in the manager booklet and will be placed around the venue

Race start procedure
