Te Waka o Aoraki Proposed Board Structure

The establishment of a Board of up to nine, with representatives from across the three rohe

- Six Elected Board members
- Two from each rohe
- Nominated by member clubs in each rohe
- Elected by **all** TWoA clubs. I.E. All clubs vote for their two preferred nominees in each of the three Rohe to be Elected Board Members.
- 1-3 Appointed Board members (skills based appointments) appointed by a panel - WAANZ can support.
- Chair to be elected by the Board from within the Board.
- Secretary and Treasurer positions appointed from within the Board or externally.

Key points regarding Rohe

- Club composition in each Rohe remains flexible and may change over time subject to club consultation by the Board.
- Are not legal entities and will meet a minimum of three times per year. Chaired by Elected Rohe Board members.
- Provide a platform for the development, resourcing and roll out of targeted strategic initiatives as well stakeholder engagement, Waka Ama promotion and advocacy.
- Provide a platform for enhanced communication, collaboration and knowledge sharing among clubs in each Rohe.
- Allow for more efficient exchange of information between the Board and Rohe clubs via Rohe Board members.

Governance that inspires our Waka Ama Whānau

This approach incorporates best practice in sport governance while recognising the distinctive needs of Te Waka o Aoraki.

This approach offers a unique balance of local connection and engagement with strategic oversight by the Board. Elected Rohe Board members remain closely linked to their local clubs and communities, driving projects and initiatives within their rohe, while also contributing to the wider regional perspective of TWoA. They work alongside other Rohe and Appointed Board members to provide strategic leadership across the entire region.
